**NOTICE OF SUSPENSION OF THE PARYS AERODROME LICENSE 146**

This letter serves as a formal notice to the Parys Flying Club (PEC) of the suspension of the Parys Airport (License 146) by the South African Civil Aviation Authority in terms of the Civil Aviation Regulations of 2011. The license was revoked due to the unsatisfactory conditions of the Airport deteriorating runway and lack of adequate fencing around the Aerodrome, resulting in unhindered access to the runway by people and animals, and that poses a serious threat to aviation safety. Therefore, the public is notified that Parys Airport is discontinuing all aviation related activities at the Parys Airport due to the suspension of the license. The Municipality will not take any form of responsibility for any unlawful landing of aircrafts that will result to accidents, injuries or fatalities at the Parys Airport.

The Community/affected parties are urged to not hesitate to contact the Municipality should there be any further queries in this regard.
