NEW FLEET FOR NGWATHE

Ngwathe Local Municipality at work

New fleet for municipality!

@ Parys

During the unveiling of new municipal TLB, the Executive Mayor Cllr Victoria De Beer-Mthombeni has emphasized that, acquiring municipal fleet is part of the municipal cost containment measures aimed at promoting the efficient use of municipal resources, ensuring that funds are directed towards long-term sustainability, create a sustainable financial framework while allowing the municipality to meet current service delivery obligations.

"We remain committed to enhancing service delivery"

The municipality will be rolling out more fleet for various departments!
