## **COMMUNICATIONS UNIT**

18 October 2024

To: Residents of Schonkenville/Parys and Media Stakeholders

### **RE:URGENT PUBLIC NOTICE REGARDING WATER SUPPLY CHALLENGES**

This communique serves to inform residents of Parys [Town] and Schonkenville areas that, a water pump distributing water to those areas through reservoir number 3 has collapsed affecting town and Schonkenville negatively.

The technical team is already giving this an urgent attention. Due to low water levels in the reservoir, residents are humbly requested to minimize water consumption [car wash/watering gardens]

Residents are kindly requested to be patient in this regard.

For emergency services residents can liaise with their respective councillors or call: 082 909 3464/067 424 2372.
